SITES TO EXCITE – ONLINE RESEARCH

OMNIBUS SITES:

www.afhs.ab.ca

Excellent starting point.

www.ancestry.com

US oriented, commercial site

www.rootsweb.com

Worldwide connections

www.familysearch.org

LDS site, contains IGI etc

www.cvndislist.com

Start here, go anywhere!

SITES WITH GUIDANCE FOR BEGINNERS:

www.genealogy.com

has a learning centre which is mostly free, otherwise a commercial site.

www.rootsweb.com

has a “guide to tracing family tree”

www.angelfire.com/mt/forbesnewbies

computer oriented info for beginners.

www.sog.org.uk

has “Information Leaflets Index” on home page.

www.archives.ca

Canadian gov’t site. Has a guide to research in Canada

SEARCH ENGINES:

www.google.com

Probably the best.
